About Our Fees

IMD works with a fee model that enables anyone, regardless of economic status, to have access to our individual services.

Our baseline fee for individual services starts with round-trip mileage from our location to your location as computed by IMD using Google Maps. All fractions are rounded up. Mileage is charged at the standard IRS rate for business (currently \$0.54 per mile for 2016).

As an example, if your location is 50 miles from our location, you will be charged for a 100 mile round trip, or \$54.00.

You are asked to add what you consider to be a fair and personally meaningful amount to pay for time spent with you.

PLEASE DO NO FOREGO INDIVIDUAL SERVICES DUE TO ECONOMIC NEED. Prior to scheduling services, discuss your ability to pay and together we can find a way to work within your means.

IMD relies on generous donations to make this work possible. Please consider a gift to support our efforts.
